Text of abstract[Gulwani 2011]

Additional Key Words and Phrases: keyword1, keyword2, keyword3

1 INTRODUCTION

What is the research background and and what motivate you to do this research?

What is the research issue and how the issue has been addressed so far?

What is the remained research problem and how challenge it is?

What is your key idea (insight) of your solution to be discussed in this paper?

What are the three main technical contributions oof this paper?

The rest of the paper is organized as follows. ...

2 OVERVIEW

Use a simple but sharp example to give an overview of your approach.

3 CONTRIBUTION1 ...

Explain your first technical contribution.

4 CONTRIBUTION2 ...

Explain your second technical contribution.

5 CONTRIBUTION3 ...

Explain your third technical contribution.

6 EVALUATION

Explain how your system is implemented and how the experiment is performed to evaluate your approach.

7 RELATED WORK

Explain the work that are related to your problem, and to your three contributions.

8 CONCLUSION

Summarize the paper, explaining what you have shown, what results you have achieved, and what future work is.
